YOUTH SOCCER PARENT CODE OF CONDUCT

Parents and spectators will be expected to act in a sportsmanlike manner at all times before, during and after all practices and games. Parents will be expected to abide by the following guidelines when dealing with coaches, officials and players. Failure to follow these guidelines may result in parents or participants being removed from the program.

STAY POSITIVE

Finding the good in every child's performance is very important. Even if it is nothing more than "good try", encouragement is always the way to go.

ENCOURAGE SPORTSMANSHIP

Cheer for both teams. Applaud effort by all players and maintain a good attitude whether you win or lose. Children learn by what they see, and if they see you congratulate both teams and keep the cheering positive, they'll follow that example. They will also follow the example parents set when dealing with coaches.

LET COACHES COACH

If you have comments, make them in private. Help your child learn to respect the coach's authority and responsibilities. Remember, they are giving their time to help the children and your team.

LET CHILDREN PLAY

While we all want our children to succeed, the Youth Soccer program's main goal is to teach the kids basic soccer skills, work ethic, pride and sportsmanship. Winning is not as important as participation, having fun and doing your best. Play to win, but most importantly, play with the intention of learning.

CONSEQUENCES FOR INAPPROPRIATE SPECTATOR BEHAVIOR

One verbal warning will be given by a Coach, Referee or Field Supervisor. If the behavior continues, the spectator will be asked to leave the facility for the duration of the game. If the spectator refuses, the Deschutes County Sheriff will be asked to assist in the removal of the spectator. If the same spectator is asked to leave from more than two games, the spectator will lose the right to participate as a spectator for the remainder of the season.

I agree to the terms as stated above.
