Parent Handbook

PROGRAM AND PROCEDURES

Welcome to La Pine Park & Recreation District! We provide the youth of La Pine, Sunriver, Three Rivers area and Gilchrist with a fun curriculum encompassing a variety of different themes and activities. We are very excited to have your student(s) participate in our HUB programs this year!

ENHANCE AND SUPPORT ACADEMIC PERFORMANCE

Students attending the HUB will enjoy time reading and learning with some hands-on fun. In addition to the program, we like to help students find new talents, develop new skills and discover themselves in ways that build a positive and healthy self-image.

ENCOURAGE AND DEVELOP PERSONAL DISCIPLINE

Our District encourages participation in activities which promote self-confidence, responsible behavior, encourage healthy friendships/relationships and a mindfulness of community.

HEALTHY BONUSES

Our programs promote healthy lifestyles by providing space and scheduled times for a variety of physical activities. We also offer a healthy snack provided by the Bend-La Pine School District Nutrition Services.

REGISTRATION, FEES AND COLLECTION POLICY

Our HUB program is open to students in kindergarten to 5th grade. Registration forms are available at the La Pine Park & Recreation District office or on our website at www.lapineparks.org. Registration must be completed by the parent or guardian caring for the student. Applicable fees must be paid prior to attendance. Registration fees are due the day of registering your child. **Payments for the program after registration must be paid by the 5th of each month. HUB bill will need to be paid in full and up to date and current to register for any sports program and for our summer program.**

PAYMENT METHOD

La Pine Park & Recreation District accepts cash, check or credit cards for all programs. There is a \$36.00 fee for returned checks. Recurrent returned checks may result in dismissal of your student from the program. Payments can also be made online at www.lapine.parks.org.

REFUNDS

Any HUB program will require a 3 week notice for the last day of student attendance. Lack of attendance without the necessary timely notifications will forfeit your refund or spot in the program.

PROGRAM HOURS

Please make arrangements for students to be picked up or to exit the program by the specified closing time of 5:30 pm each day. Parents not picking up students by closing time may be subject to a late pick-up fee and possible termination from the program if tardiness persists. After two late pick ups, a \$25.00 fee will be charged for each occurrence thereafter.

CLOSURE DAYS

During the school year if there is an emergency the parents will be notified of the closure through Facebook and/or email. As for the HUB program days, LPRD follows the school hours(example: if the school is closed for Thanksgiving-HUB is also closed).

ELECTRONIC DEVICE USAGE

The use of cell phones are under restricted use during the program. The staff will allow the students to call parents or answer phone calls from parents. All other calls or usage of the phone is a distraction to the program. Therefore the cell phone will be confiscated if it is a distraction. All gaming devices and iPads are a distraction to the program. Please do not bring these items to the program. They will be confiscated for the day. The student will be able to pick up their property upon checking out of the facility for the day

STAFFING

All staff and volunteers must undergo and pass a background check through La Pine Park & Recreation District. Training is provided for CPR and First Aid if not already certified, as well as conflict resolution, child abuse prevention and a variety of other situations that may arise in such a program.

CHILD ABUSE REPORTING

Each employee is required to immediately notify the local public children services agency if they suspect that a student has been abused or neglected. The District policies are created to prevent and protect students from abuse or neglect while the student is in our care.

CLOTHING

We ask that your student come dressed appropriately for the program and the weather.

PERSONAL BELONGINGS

Unfortunately we are not immune to theft. We suggest valuables be left at home. LPRD will not be held responsible for lost or stolen items.

Participants and staff will respect the private property of others and with the understanding that stealing or vandalism will not be tolerated.

STUDENTS WITH SPECIAL NEEDS

It is the intent of LPRD to be inclusive to all participants in our programs and activities to the greatest extent possible. Recognizing limitations due to an individual's special need is important and, with this in mind, we will make every attempt to adapt program activities, staffing and facilities through reasonable accommodation. If your student requires any special accommodations, please discuss it with our Program Director

SUPERVISION AND SAFETY POLICIES

No student is to be left alone or unsupervised while under the care of the program staff.

Parents must walk their students into the building for check-in upon arrival and come into the building to check-out their student. Students are allowed to enter and exit through authorized doors only, except in the case of an emergency.

EMERGENCY PROCEDURES

Emergency telephone numbers are posted at each phone. If a child is injured we follow this procedure:

1. If a child needs emergency medical attention, an ambulance will be called. A director or staff member will always accompany a child to the hospital. The child's medical forms will be brought, as they contain pertinent medical information.
2. If poisoning is suspected, poison control will be called.
3. The child's parent will be contacted. If a parent cannot be reached, we will contact the person(s) listed on the emergency form.
4. An accident report will be completed for any injury.
5. A copy of the accident report will be placed in the District office.
6. Parents will be notified of minor accidents or injuries by the Staff Supervisor.
7. When away from the program, a first aid bag will be prepared containing bandages, antiseptic, gauze, and ice packs.

DONATIONS AND SCHOLARSHIPS

In addition to Program fees, our program is dependent upon grants, donations, scholarships and a variety of in-kind community support. Gifts of new or slightly used supplies are always welcomed. We often accept board games, books, arts and craft supplies and any other useful donations. In return, you will receive a letter of acknowledgment for donations. Scholarships are available when funds are available. One must apply and be accepted to receive a

scholarship. We do not give out full scholarships. If you are interested in donating to our scholarship fund it can be made to La Pine Park & Recreation District Foundation and is tax-deductible.

MEDICAL POLICIES & PROCEDURES

We will do our best to make your student's experience accident and illness free. However, in the event of any injury, we are prepared. Our staff members are trained in CPR and First Aid. We treat minor cuts and scrapes, but parents and guardians will be notified in cases where a student may need more medical attention than our staff can provide. In all cases of injury, an accident form will be completed. If the medical needs are extreme and parents or guardians cannot be reached, your signature on the health form authorizes us to secure medical attention, including but not limited to calling 911. If your student has severe asthma or a potentially life-threatening allergy please speak with our staff prior to attending the program.

A student who is sick should be kept home as a courtesy and safety of the participants of the program. Participants with any form of contagious or infectious conditions or symptoms such as COVID-19, lice, conjunctivitis, chicken pox, strep, etc. will be sent home immediately. Students are welcome to return to the program when they are feeling better and are no longer contagious and can produce a doctor's note.

Any Child that has these symptoms or diseases will be sent home and will not be able to return without a doctor's release:

- **Coughs/Colds**
- **Fever**
- **Strep**
- **Rash**
- **Vomiting**
- **Diarrhea**
- **Chicken Pox:** A note from the doctor will be required.
- **Measles:** You must bring a note from your healthcare provider stating that your child does not present a health threat to others.
- **Conjunctivitis:** If your health care provider chooses not to prescribe medication, you must bring a note from him/her stating that your child does not present a health threat to others.
- **Head Lice:** Child must be free of lice for a two week period
- **Ear Infections:** note from healthcare provider to participate

BEHAVIOR MANAGEMENT POLICY

We believe in a positive approach towards discipline. This means that our staff will work to prevent behavioral issues through positive, cooperative expectation setting, and role modeling. Our primary expectation for students is RESPECT - Respect of self, property and others. We provide a safe environment for students to grow, build relationships and have fun while learning.

Students will respect the rights and feelings of others and will avoid disruptive behaviors that would interfere with the program. Aggressive behaviors such as fighting, verbal "put-downs", swearing, and other inappropriate

behaviors will be addressed appropriately. Students who continue to bully or treat others in a disrespectful way will be dismissed from participation in activities.

Students will follow all directions given by staff regarding safety procedures for all activities.

The program strictly prohibits the use or possession of alcohol, tobacco, and drugs or like substances.

Any behavior which would be classified as harassment of staff or participants will not be tolerated. Such behavior will result in dismissal or termination and, if applicable, contacting authorities.

BEHAVIOR MANAGEMENT PROCEDURES

Take immediate action to stop the behavior.

Separate the individual from the situation and calm down all involved.

Discuss with each individual involved to understand all sides of the situation.

If necessary, call the parents or guardians of the individual to inform them of the incident and/or the consequences instituted.

If the severity of the inappropriate behavior warrants or the participant refuses to stop the behavior when asked, a parent or guardian will be asked to pick up the student immediately. In some cases the inability or unwillingness to conform to the standards of the program may result in temporary suspension or permanent expulsion.

I agree with the La Pine Park & Recreation District parent handbook for programs and procedures.

PARENT CODE OF CONDUCT

Parents will be expected to act in a positive and supportive manner at all times. This includes social media and any other outside sources. Our expectations of the guidelines below apply to all parents, LPRD employees and its designees. This is a reminder that all LPRD facilities and parks do not allow tobacco products or marijuana, this includes no smoking, vaping, use of illegal drugs, or alcohol consumption. We also expect no profanity; only positive encouragement for all those that are participating. If you see something that interferes with the program, an activity that could cause harm, or violates LPRD policies, please inform LPRD staff or after hours please call the non-emergency police phone number at (541) 693-6911. Failure to follow these guidelines may result in parents or participants being removed from the program or facilities.

STAY POSITIVE

Finding the good in every child is very important. Even if it is nothing more than a "awesome job" comment, encouragement is always the way to go. Our expectations of parents and spectators involvement in our programs, working with our LPRD employees are to bring a positive experience for all that are participating in our programs. Failure to participate in a positive or respectful manner, or if you bring a negative experience for anyone participating in our programs, the person may be removed from the program and facilities.

ENCOURAGE RESPECT THE PROGRAM & FACILITIES

Maintain a good attitude. Children learn by what they see, and if they see you keeping a positive attitude they'll follow that example. As parents, staff and participants we know how hard it is to meet everyone's expectations. Parents please set a good working and communication role with all LPRD employees. We need everyone to work together to bring around a positive and successful program.

LET CHILDREN PLAY

LPRD's main goal is to teach basic skills, work ethic, pride. Having fun and doing your best. Interact with the intention of learning and respecting others.

CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR

This is a topic that we would rather not have to discuss, but if the situation should arise the parent or gaurdian will be asked to follow these protocols to keep the program in balance and on track. One verbal warning will be given by a LPRD employee, If the behavior or acts in question continues, the parent will be asked to leave the facility for the duration of the program. If the parent or guardian refuses, law enforcement will be called and law enforcement may remove the parent or guardian. The parent or gaurdian will not be allowed back to programs until after a meeting with the Executive Director and Coordination Administrator. This may include a suspension from all LPRD programs and properties for up to one year.

I understand and agree to follow the terms as stated above.
